Dear Roman:

On behalf of the management and staff of PhilAir and Academy Logistics Services Inc., with this letter I would like to acknowledge and thank you for your professional contribution and dedication to the development and growth of our Quality Management System as well as our organizations.

Your clear recommendations and guidance have been instrumental in ensuring that the management policies were effectively passed on to all the participants. I also would like to point out your contribution and educative role in making us a more pro-active organization toward our clients, which has resulted in greater client's satisfaction

It has been a pleasure working with you for the past few years and look forward to continue working with you in the future.

Yours truly,

Frank Mercuri
